

Real Steel

RULES: Practical Shooting Handbook, Latest Edition **COURSE DESIGNER:** John Clayton

START POSITION: Standing in either Box A or Box C, facing downrange, with loaded rifle at a low ready. Handgun holstered, loaded or empty, shooters choice. Shotgun staged in barrel 2, magazine loaded, chamber empty.

STAGE PROCEDURE

Upon start signal engage targets.

From Box A T1-4 & PP6-9 must be engaged with the rifle, P1-5 & T9-12 must be engaged with the pistol. Pistol may be abandoned facing downrange on the table.

From Box B PP1-5, KO1-2, & SL1 must be engaged with the shotgun. Shotgun must be abandoned in the barrel 2.

From Box C T5-8 & PP6-9 must be engaged with the rifle. Rifle may be abandoned in barrel 1 or 3.

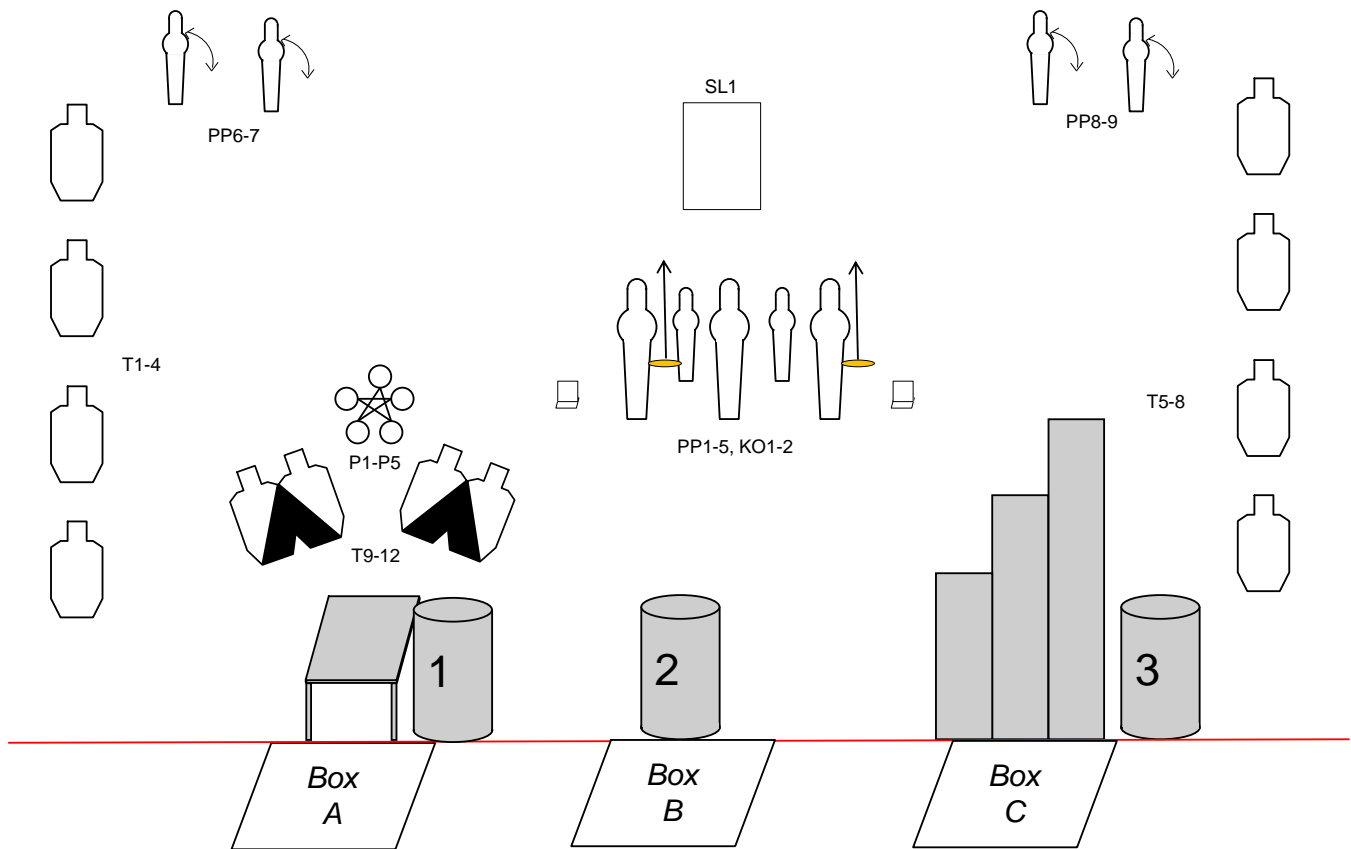

Targets are any 2 hits or 1 Alpha. Resetting poppers must be engaged with 2 hits apiece from each position. Slug plate requires 2 hits.

REMINDERS:

Abandoned shotgun or rifle must be COMPLETELY empty, or on SAFE.

Reholstered handgun must be on SAFE if handgun has hammer, and hammer is back. Can be de-cocked if so equipped.

When going prone for any reason, handgun must be empty, if loaded and prone – match DQ.

SETUP NOTES: The 2 outside pepper poppers throw clay pigeons.

RO NOTES:
