Open

Anything goes!

Limited

Handgun:

Firearms must be of a factory configuration.

Internal modifications are allowed providing they do not alter the original factory configuration of the handgun.

Firearms with custom or factory installed electronic sights, optical sights, extended sights, compensators or barrel porting are NOT allowed in this class.

Magazines used shall not exceed 170 mm OAL (overall length) for single stacks, and shall not exceed 140 mm OAL for staggered magazines.

Rifle:

Firearms must be of a factory configuration.

Internal modifications are allowed providing the modifications do not alter the original factory configuration of the rifle.

Optical sights and use will not be allowed.

Rifle supporting devices (i.e. bipods, etc.) are not allowed in this class.

Shotgun:

Shotguns must be of a factory configuration.

Limited will load a maximum of 8+1 rounds to start.

Internal modifications are allowed providing the modifications do not alter the original factory configuration of the shotgun.

No electronic or optical sights are allowed on shotguns in this class.

No shotgun supporting devices (i.e. bipods, etc.) are allowed in this class.

No compensators or porting on barrels allowed in this class.

No speedloaders or box-fed shotguns (i.e. Saiga's) are allowed in this class.

Scoped Tactical

Scoped Tactical Class will allow the use of one Open class firearm. Remaining two firearms must fit within Limited Class rules.

Heavy Rifle

Heavy Rifle class will require rifle of a minimum 7.62x51 (.308) caliber. All other rules identical to Scoped Tactical.
